RATE INFORMATION:

Single Variable Rate.

The interest rate on an account paid by direct deposit is 0.50% with an annual percentage yield of 0.50%. Your interest rate and annual percentage yield may change.

- Determination of Rate.
- Frequency of Rate Changes. We may change the interest rate on your account at any time.

COMPOUNDING FREQUENCY. Interest will be compounded daily.

CREDITING FREQUENCY. Interest will be credited to your account one time a year at the end of the account period

EFFECT OF CLOSING AN ACCOUNT. If you close your account before interest is credited, you will not receive the accrued interest.

BALANCE COMPUTATION METHOD. We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day.

ACCRUAL OF INTEREST ON NONCASH DEPOSITS. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

*Santa Savings account elections will automatically roll over to the 2027 cycle with the transfer criteria selected above. If you would like to make changes for the 2027 cycle, please contact a Universal Banker during November 2026.
